PRODUCTINFOS

This series of speaker systems including subwoofer from MONACOR sets standards in the modern PA technology:

high-quality lacquered cabinets of a perfect design, lightweight but robust and of high power capability, with an amazing sound and a high efficiency, the EUL-2... with professional 100 V technology. Real PA speaker systems for versatile applications at a very attractive price.

PA speaker system in 100 V line technique

- High-quality cabinet with durable PU coating
- 20 cm (2 x 8") double bass speaker of high power capability and a dyn. 25 mm (1") horn tweeter
- Well-balanced and dynamic sound for speech and music applications
- SPEAKON connection, rotary switch for power selection, stand sleeve
- A subwoofer support is useful for bass reproductions of high requirements (e.g. with EUL-2SUB/SW)
- This speaker can be integrated into any existing or new 100 V system by simply connecting it in parallel, as long as the amplifier features the respective power reserves

Matching adapter piece for speaker system PAST-28/SW is available at option.
